

SAFA ABDULWAHID RAHEEM

M.Sc. in Electrical Power Engineering

EDUCATION

M.Sc. in Electrical Engineering, Power System Islamic Azad University, Iran	2023
B.Sc. in Engineering, Electrical Engineering University of Wasit, Iraq	2017

ACADEMIC EXPERIENCE

University of Wasit, College of Engineering, Electrical Department Teaching Assistant	2017–2024
Al-Muthanna University, College of Engineering Teaching Assistant	2024–2025
Al-Muthanna University, College of Engineering, Chemical Engineering Department Assistant Lecturer	2024–2025
Al-Muthanna University, College of Engineering, Electronic and Communications Engineering Department Assistant Lecturer	2025–Present

PROFESSIONAL DEVELOPMENT & SERVICE

CERTIFICATIONS

Multiple training certificates in the fields of Electrical and Computer Engineering.

SERVICE ACTIVITIES

- Electrical Energy Losses in Transmission Networks.
- Developing water pumping and energy consumption systems in Al-Muthanna Governorate.

SELECTED PUBLICATION

Short Term Load Prediction based on LSTM Network for Iraqi Thermal Power Plant
